My husband and I had our wedding reception at The Hub last month and cannot thank the team there enough for giving us the best day of our lives. The food was outstanding and the hospitality throughout the day was so professional but warm and friendly to all our guests. Emily was in contact with us almost every day in the build up - always so chilled and friendly about everything we threw at her. Then on the day the full team took care of every detail.

Our friends and family loved the venue and atmosphere and commented several times how delicious the food was. We cannot recommend The Hub more.

I just wanted to leave our review & extend our sincerest thank you to Emily and her exceptional team for all the hard work she put in to make our wedding day so sensational. Their care, support & attention to detail absolutely paid off.

From the fabulous food, the amazing staff, drinks & cocktails and all the co-ordinating of our suppliers on the run up to our day - it was a triumph! Personally, I also want to thank Emily for responding to my endless emails in the run up assuring me that it would all be ok - it totally was!

REVIEW

We recently had our wedding reception and party at The Hub and are over the moon at how it went. Emily was amazing from start to finish and was able to accommodate everything we asked for. On the day, everything ran smoothly considering we wanted to pack quite a lot in to a small space of time. The staff were helpful, efficient and worked tirelessly to ensure we all had a good time. The food was incredible. We cannot recommend The Hub enough and are looking forward spending more time there over the next year as members!

REVIEW

We hired The Hub for a big wedding party, a few weeks after having a small ceremony, and couldn't have been happier. We all had such a great time on the day and felt really well looked after by everyone working there, particularly our friends with children. Some of our guests said it was the best wedding food they'd had - there are lots of great food and drink options, everyone loved the cocktails. The building itself is also gorgeous and has various rooms you can make use of, would 100% recommend it for a meal/drink out or a private event.

REVIEW

We had our wedding here on Saturday and it could not have gone better! All of the staff were amazing, attentive and really went the extra mile.

In particular Emily, Rhiannon and Yaya who ensured the day went so smoothly and went above and beyond! Received so many compliments from guests about the layout, the food and the team as a whole and everything was so well thought out, from ensuring my Grandparents were comfortable to having films for the kids to watch. We are so pleased we chose The Hub for our venue!

The background of the entire image is a photograph of a lounge or bar area. It features several orange-colored armchairs arranged in a row. Each chair has a small, glowing, textured lamp on a side table next to it. The lighting is warm and ambient, with a dark wall in the background. In the foreground, the lower legs and feet of people are visible, including a person in a white dress and gold strappy heels, and another person in black shoes.

My daughter and son in-law just held their wedding reception here. Everything was perfect. The food was amazing, all the staff hosted so professionally, they were never intrusive and it was as if they knew us all individually. They were great to talk to and nothing was too much trouble for them. I really can't praise them enough. This is an amazing venue with the perfect hosts. I wouldn't hesitate to recommend them. Thank you for making our celebration perfect.

We had the absolute best day at The Hub on Verulam for our wedding on 11/04/25! From start to finish, everything was perfect. The food was incredible, we chose the BBQ option and would highly recommend it to anyone planning an event. Our guests couldn't stop talking about how delicious it was!

The venue itself is beautiful and just perfect for events. We loved it so much that we now have a membership and are already looking forward to making full use of it!
